oxygen bag & box fee <b>up to 25 fish per box</b>	_____ # <b>Boxes</b>	\$6.00/per box	\$6.00/per box	
total enclosed				

## Pond Surface Size

¼ acre 50  
½ acre 100  
1 acre 150 - 250

## 5-6" & larger

The number of fish a pond can support depends on many factors including water temperature, available food, flow of water through the pond, depth and surface area. Surface area is the best factor to use as an estimate.

## STOCKING GUIDE
